

## “GENERATIONS”

Week 3

### “One Generation to Another”

#### CONNECT:

Take a minute and discuss one characteristic that sticks out to you about following Generations: Baby Boomers, GenX, GenZ, Millennials, Silent Gen, Greatest Gen.

#### LEARN:

What are some things that you have learned from an older generation? What have you learned from a younger generation? Why do you think it is important to learn from those older and younger than you?

#### LEARN:

What are some common and noticeable attacks that occur that try to negatively affect purity in today’s culture? What patterns form when trying to deal with the issue of purity?

#### LEARN:

The following quote was made by Pastor Trey in this week’s message: “Parents are God’s primary vehicle for reaching and discipling the next generation.” What are some ways that your parenting approach can be a disciple maker at home? What are things that challenge the family in the area of discipleship at home?

#### LEARN:

How can a relay race be a good example of discipling the next generation?

#### APPLY:

Take time this week and ask yourself this question about your family: “How can you lead a God first family with a second hand faith?” Consider what is preventing your family from leading with God first in your decision making. What are some things that can be changed in order to bring a God first intentionality back to your family?
