MARY'S SHELTER: Situated on the Gulf Coast of Alabama, Mary's Shelter was founded to address the needs of homeless pregnant women who are experiencing an unwanted or unplanned pregnancy. Our mothers come to us with no one to help them, no money, and no place to live. Before hearing of Mary's Shelter, many of them felt that their only option was to have an abortion. By providing them with a home during this difficult time in their life, we enable these women to say 'yes' to life for their unborn child.

UNDER HIS WINGS: In 2008, founding board member Dr. Lorena Hunt – a Fairhope, AL OB/GYN – became aware of the lack of options for families struggling with girls in crisis. In her 30 years working with women of all ages, she consistently realized the physical and emotional scars from unresolved pain experienced as a child or adolescent. Yet Dr. Hunt found too many gaps between the well-intentioned net of school counseling, church support groups, mental health agencies and court programs. These gaps were allowing precious lives to slip through and spiral out of control. Under His Wings – a name taken from Psalm 91:4 – opened its doors in June 2013 as a place for girls to find refuge, renewal and a restored relationship with God.
