# LIFE CHANGE

We have had an incredible 2023 as a church family marked by so many reasons to celebrate. One of those celebrations was reaching our 25th Anniversary. We had a Sunday full of reflecting on the past 25 years and looking ahead to what's to come.

During this service we unveiled our new mission statement:

**WALKING TOGETHER

# CAMPUS LIFE

We are firm believers that real-life change happens within relationships. That's why we are dedicated to providing opportunities for connection at a local, campus level. Whether through Small Groups, Welcome to CityHope classes, campus Facebook groups, or topical classes, our aim is to facilitate connections that keep you rooted in your relationship with Jesus and with each other.

Many of you have actively participated, served, invited others, and experienced personal growth through these meaningful connections in 2023.

# Dust

In alignment with our new mission statement, we introduced "Dust," our 10-week journey designed to guide individuals in finding and following the way of Jesus. The name is derived from an ancient Hebrew blessing spoken over those seeking their God-given calling: "May you be covered in the dust of your rabbi." In modern terms, it's both a blessing and advice - to walk so closely to your teacher that the dust from his sandals covers you. This encapsulates the essence of Dust. Through daily readings and weekly small group discussions, we delve into what our lives look like when covered in the dust of Jesus.

# Honduras Campus

This past year, our Honduras campus dedicated itself to strengthening connections and expanding its influence. Focused on discipleship and building relationships, they witnessed over 65 individuals reconciling with Christ. They also began the process of building the San Pedro Sula Dream Center, providing resources, activities, community, and support through their many different programs for kids, youth, and their families living in at-risk areas.

We look forward to another year of growth and transformation for the people of San Pedro Sula as we open the Dream Center.

# OUTREACH

In 2023 God did so much with your generosity. Instead of inviting you to one day of outreach per month like we've done in years past, we expanded those opportunities by giving you many ways to serve throughout the month-whenver your schedule allowed. You served and gave more than ever this year, THANK YOU.

**\$1,131,475** Donated to Kingdom Builders in 2023

We often look at how giving funds the ministry inside the church walls, but we want to give you a glimpse of how it funds ministry outside the walls of the church.

### 1 CHURCH PLANTER SENT

“City Hope Church, thank you so much for your support! There is a growing community in Houston, TX who is watching people far from God come to know His love. Eden Church Houston is not who we are without the love and support of our CityHope family. Thank you, we love you!”

Jared and Haley Darby felt the Lord lead them to the city of Houston, and because of you they are able to plant Eden Church in 2024.

## MISSIONS

1	Full-time Missionary Sent

Because of your ongoing generosity, CityHope has also been able to send our very FIRST full-time missionary.

“My first missions experience was to Honduras, when I was only 12 years old, with City Hope Youth. I remember feeling a weight in my heart for the people here; it was a feeling that I had never experienced before. One day we went to an orphanage to minister to the kids, but that day God changed my life for forever. It was at that orphanage, as a 12 year old girl, that I felt in my heart I was called to missions.”

Savannah Donnely  
📍 Honduras

The Lord changed Savannah’s life with a mission trip, and she felt the call to Honduras, and now she lives there as our **first full time missionary in our Send100 initiative.**

Both of these stories are just the beginning of what the Lord will do through our church in the world of missions and church planting.
