**CITY HOPE CHURCH**

**KINGDOM BUILDERS 2024**

# Project Guide

A group of approximately 18 young adults, likely students, are posing for a group photo in a wooded area. They are dressed in casual outdoor attire, including t-shirts, hats, and backpacks. The entire image is overlaid with a semi-transparent red filter. On the left side, there are white, stylized topographic map lines. The text "What is Kingdom Builders?" is written in a large, white, serif font across the center of the image.

# What is Kingdom Builders?

Kingdom Builders is City Hope Church's annual giving initiative. In 2019, we wholeheartedly accepted God's challenge to elevate our impact. Kingdom Builders emerged as the response to that divine call.

This initiative isn't just a financial commitment; it's a gateway to unleashing a Kingdom-sized influence, right here in our local community and echoing across the globe. Unlike our regular tithe, Kingdom Builders is an exciting opportunity to go above and beyond, contributing to something that exceeds the ordinary.

Participating in Kingdom Builders isn't just an act of giving; it's an invitation to be part of a dynamic, collective movement. It's a chance to be involved in a cause that extends far beyond ourselves, where every contribution, no matter how small, plays a role in a grand and impactful story.

It's a Kingdom investment, not just in the present, but in eternity. It's our journey of generosity and impact, a true testament to our shared commitment to creating a lasting and meaningful legacy.

**Contribute, support, invest –  
Become a Kingdom Builder today.**

Our 2024 Goal:

**\$1,250,000**

# Global Missions

Kingdom Builders plays a vital role in the construction of churches, homes, schools, and the establishment of water wells throughout the world. Additionally, our involvement includes the essential training of local pastors, ensuring sustained growth and impact in these communities.

We are genuinely fortunate to collaborate with Kingdom-minded, trusted ministry partners in various countries, as we collectively strive to fulfill the mandate of Acts 1:8: "But you will receive power when the Holy Spirit comes upon you. And you will be my witnesses, telling people about me everywhere—in Jerusalem, throughout Judea, in Samaria, and to the ends of the earth."

***Financial Goal: \$451,000***

## **Meals in Uganda for Refugees**

In an ongoing partnership, Kingdom Builders supports the ministry of Pastor Solomon and Good News Church in Uganda, helping meet the physical need for food to nourish the bodies of starving people in their local communities and in refugee settlements. They also minister to spiritual needs, sharing the love and hope rooted in Jesus.

**\$12,000**

## **Build Churches - India Gospel League**

Despite growing persecution and attempts to block the growth of Christian communities in India, people continue to find the Lord and seek Christian fellowship in home churches. This project helps provide multi-use church buildings for groups that have outgrown their home churches.

**\$12,000**

## Kairos Global Foundation - India

Working in India, Sri Lanka, and Nepal to holistically transform communities through empowering women, Kairos Global Foundation believes in the calling up of women to reach their full potential given by God. KGF is addressing physical and spiritual needs of women while passionately fighting against poverty and injustice.

## Christ Faith Home for Children in India

James 1:27 says that, "pure and genuine religion in the sight of God the Father means caring for orphans and widows in their distress." Our partner, Christ Faith Home for Children in India, does an exemplary job of fulfilling this charge through numerous programs that provide housing, nutrition, medical care, education, life skills training, and more to some of India's most destitute and vulnerable populations of orphans, widows, and lepers.

\$12,000

## San Pedro Sula Dream Center

A diverse ministry in San Pedro Sula, Honduras, The Dream Center provides at-risk kids and youth with a daily meal and a secure environment to foster relationships within a Christian community, offering educational support and life development. Additionally, The Dream Center extends holistic support to vulnerable families and the elderly.

\$36,000

## Honduras Jungle Hospital

Since 2007, the Jungle Hospital has concentrated on addressing the healthcare requirements of the people in an expanse of over 1,000 square miles of jungle in northern Honduras. Dr. Martin and Wendy Williams spearhead initiatives that deliver dietary and hygiene education in local schools, medical and dental brigades in surrounding villages, and inpatient and outpatient care in their expanding hospital facility. At the same time, they cultivate relationships that enable them to impart the most crucial message to humanity—the gift of Christ.

\$22,000

## **Royal Gathering Education Center in Kenya**

In Kenya, a child's access to public education hinges on the family's ability to afford annual school fees and uniforms. This barrier deprives numerous children of the chance to pursue education, dashing their hopes of breaking free from the crippling poverty into which they were born. Established in 2013 by Pastor Ken Murichio, the Royal Gathering Children's Center aims to provide children with the opportunity to attend school and receive comprehensive care for their body, mind, and soul. This initiative lays the groundwork for them to reshape their future, impact their region, and potentially influence their country and beyond!

**\$16,000**

## Strategic Urgent Partner Requests

This project enables Kingdom Builders to offer assistance for critical needs, special projects, and initiatives undertaken by our ministry and mission partners, both locally and globally.

## Water For Nations In Kenya

In remote areas of Kenya, many residents share water sources with livestock and other animals, leading to perilous health conditions. Mike and Tammy McRae, along with Water for Nations, envision bringing clean water to those in need and sharing the “water of life” with all they encounter. Dedicatedly working towards this goal, they drill water wells, offering hope to communities by providing clean water to hundreds of people at once. Access to clean water in these areas not only improves physical health but also reduces the time spent searching for water sources, allowing children to attend school, and enabling families to come together. This, in turn, fosters opportunities for agricultural and business development, ensuring sustainability for years to come.

**\$25,000**

A photograph of three people sitting on a patterned rug under a large tree in a rural setting. A man in a light blue shirt and dark pants is sitting on the left, gesturing with his hands. A woman in a patterned dress is sitting in the middle, and another woman in a patterned dress is sitting on the right. They are all looking towards the man. The background shows a dirt path and some trees. The entire image is overlaid with a semi-transparent red color.

## **Sending CityHope Missionaries**

God has called CityHope to dispatch 100 missionaries into full-time missionary service over the next 15 years. CityHope is committed to investing in the education, preparation, and launching of individuals and families who are earnestly responding to God's calling, ensuring that these individuals are empowered to embark on their mission journeys.

## Konbit Haiti

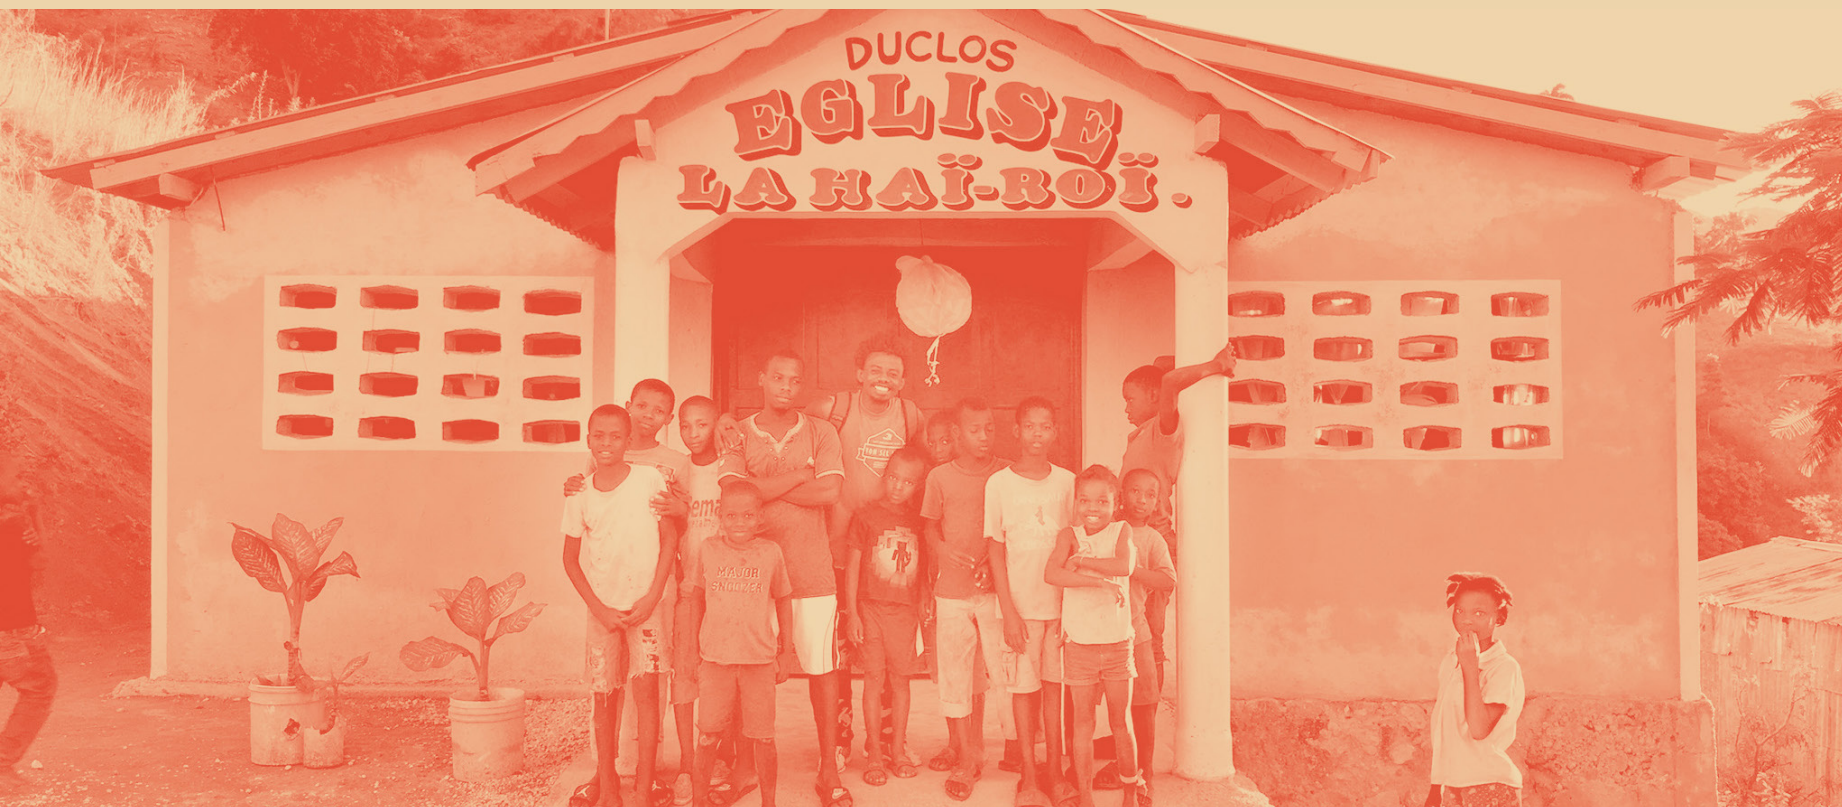

Meaning “coming together for a common good,” Konbit Haiti has been actively collaborating with rural Haitian communities and indigenous leaders since 2010. Their focus is on establishing sustainable water and sanitation sources, coupled with holistic family development. With Kingdom Builders’ support, Konbit Haiti can continue to offer crucial support to the people of Haiti, including school supplies, meals, summer camps, holiday programs, emergency aid, health seminars, and access to clean drinking water.

\$5,000

## The Palm - Kenya

The Palm, a ministry under Water for Nations, extends love, support, nurture, and hope to teenage pregnant girls who have experienced assault. The Palm was created out of a need and a passion to empower these young girls to embrace everything that God has in store for them, despite the challenging circumstances they face.

\$5,000

## Ministry to Israel

The Jewish people, according to God's calling, are returning home from the nations where they have been scattered for the past 2,000 years to the Promised Land in Israel. However, this prophetic fulfillment poses challenges for those returning to a culture with an unfamiliar language, surrounded by nations that have vowed and acted to destroy them. Ministry to Israel has played a vital role in aiding the relocation of Jewish people to their homeland, providing essential support to new immigrants as they acclimate. Financial support for this project offers Gentile believers and the Church an opportunity to actively participate in fulfilling a prophetic promise to God's chosen people.

\$10,000

## Emerge Missions

For 35 years, Emerge Missions has dedicated its efforts to assisting young people in Southeast Asia in breaking free from the shackles of generational poverty and the exploitation of their bodies. Emerge achieves this by empowering local heroes to emerge within their communities, organizing kids into supportive groups. Through this approach, they provide spiritual guidance, protection, essential skills, and education, equipping these young individuals to overcome the challenges they face.

\$18,000

## Monthly Missions

This fund plays a crucial role in sustaining our ministry partners on a monthly basis. We extend support to missionaries, both locally and globally, covering the day-to-day operations for many of our partners worldwide, including those right here in Mobile and Baldwin County.

We firmly believe in the power to make a positive difference in our own spheres of influence—our families, neighborhoods, school districts, and work environments. Kingdom Builders plays a crucial role in realizing CityHope's vision of launching churches in new locations and supporting outreach organizations to address local needs.

When we unite as the Church, our individual spheres of influence converge and grow, extending the reach of Christ's love to more people. The Church, with Christ as its head, serves as the means through which His impact expands in the world. This mirrors the "Jerusalem" aspect of Acts 1:8—our focus on local communities and ministry partners, right in our own backyard.

***Financial Goal: \$631,000***

# Local Outreach & Church Expansion

## Mobile Campus Purchase

Launched in March 2010, CityHope's Mobile campus was our first multi-site location. After two and a half years of being portable, the campus found its current permanent location in December 2012. While the current site and long-term lease have served the campus well, CityHope envisions strengthening its roots in the Mobile community by investing in land and/or a building purchase. With a vision for Mobile and recognizing its great potential, the funds will be directed towards acquiring a permanent space for the members of our family who consider CityHope Mobile their spiritual home.

\$275,000

## Church Planting

Transitioning from a reaching church to a sending church, our objective is to plant 15 churches within the next 15 years. We aspire to identify and nurture pastors, equipping them to launch churches across the USA. Through mentoring, training, and strategic launches, we anticipate witnessing the expansion of the CityHope family of churches.

\$75,000

## Merry Christmas Gulf Coast & Merry Christmas Correctional Facilities

Spanning over two decades, Merry Christmas Gulf Coast stands as our largest annual community outreach. This project is instrumental in bringing the joy of Christmas to thousands of children in our community. Additionally, it extends the opportunity to instill hope and a sense of belonging by providing Christmas gifts to 2500 men across six correctional facilities in Alabama.

\$152,000

## Disaster Response

With the support of Kingdom Builders, CityHope's Disaster Response Ministry aims to swiftly assist those in distress during their most vulnerable moments. Instead of just reacting, the ministry is equipped to respond with state-of-the-art tools and training. Moreover, this support enables CityHope to extend assistance to other ministry partners globally during times of crisis.

**\$40,000**

## CityHope Correctional Ministry

CityHope consistently delivers the gospel message to inmates in five Correctional Facilities in our region every week! With trained, dedicated volunteers, we come alongside hundreds of men as we pursue the way of Jesus. CityHope provides a streamed worship experience, facilitates small groups, offers ministry, and more to both inmates and correctional staff throughout the entire year!

**\$8,000**

## Women's Resource Center

With three locations in Mobile County, WRC has positioned themselves as a trusted resource for women and men facing unplanned pregnancies. Their team works tirelessly to demonstrate the value of life through compassionate care, education, and support for clients at any stage of their journey. Services include pregnancy and STI testing and treatment, counseling, parenting-related classes, post-abortive recovery, miscarriage support, and educational outreach in local schools aimed at informing youth about healthy relationships and decision-making.

## Women's Care Medical

Women's Care Medical is dedicated to serving women and men in Baldwin County who find themselves dealing with the challenges of unexpected pregnancies. As a trusted local resource, WCM showcases the value of life by providing free services to their clients. Through partnering with individuals, WCM ensures that clients have the information they need, thoroughly reviewing all available options, empowering them to make informed decisions about their situations.

## Victory Health Partners

Since 2003, Victory Health Partners has been providing Christ-centered healthcare to uninsured adults, making a substantial impact by ministering to thousands of people in our region. With the assistance of Kingdom Builders, Victory aims to expand its reach and serve even more people this year.

## LA Dream Center

The Los Angeles Dream Center provides individuals with an opportunity to rebuild and transform their lives through a range of free programs offering tools, education, community, and support. With outreach, transitional housing, and resource initiatives, the LA Dream Center serves 40,000 people each month.

\$5,000

## Local Outreach

CityHope's local outreach encompasses various initiatives, including providing meals for hundreds of local families each summer, conducting a monthly Dream Center Truck Ministry, engaging in homeless outreaches, and participating in other local outreach projects within Mobile and Baldwin County.

## Ecumenical Ministries

Ecumenical Ministries, a non-denominational comprehensive social service agency, has been aiding low-income families and individuals in Baldwin County for over 50 years. With the assistance of Kingdom Builders, they aim to address urgent financial and material needs in the county, providing a hopeful path toward self-sufficiency and long-term economic stability.

\$10,000

# Future Christian Leaders

A person wearing a white lab coat is standing in front of a window, looking out at a city street. The scene is dimly lit, suggesting it might be evening or night. The person's arm is visible, and they are wearing a watch. The background shows a blurred cityscape with lights and buildings.

Through Kingdom Builders, we are committed to championing families and boldly elevating the next generation of believers. Your generous contributions will serve to eliminate financial barriers that might otherwise hinder individuals from pursuing educational, travel, and training opportunities, empowering our emerging leaders to fulfill the divine calling placed on their lives.

Our commitment to investing in the next generation of Kingdom Builders extends to their training, preparation, experience, and education. Recognizing that God equips those He calls, we are dedicated to being instruments of that equipping process. As we embark on the next season at CityHope, our focus is on actively “sending” forth those whom God has called to ministry.

***Financial Goal: \$168,000***

## **Youth Honduras Mission Trip**

We desire to send every high school junior and senior on an international mission trip before they graduate. This fund is dedicated to providing scholarships for eligible students, ensuring that financial constraints do not hinder their participation. The trip empowers each student to step out of their comfort zone, be used by God in unexpected ways, and engage in service at our CityHope Honduras church and the San Pedro Sula Dream Center. Our goal is to expose each student to missionary work in a foreign country, fostering a Biblical worldview.

**\$60,000**

## **Ministry School Scholarships**

The next generation of ministry leaders are diligently engaged in ministry school, actively pursuing education, and developing their calling and leadership capacities. Kingdom Builders seeks to provide assistance to those facing significant financial challenges, ensuring they can persist in answering the call to contribute to the growth of God's Kingdom.

**\$10,000**

## **Adoption & Foster Care Family Support**

**Kingdom Builders seeks to alleviate the financial burden for those involved in the adoptive and foster care realms by offering support to adoptive and foster families. This assistance is designed to aid families as they prepare to welcome and care for children in need.**

## Kids and Youth Summer Camp Scholarships

Every summer, CityHope offers incredible camps for our kids and youth. Kingdom Builders has been faithful to assist children and youth lacking the necessary funds to still experience God through summer camp. Contributing to this project enables the next generation to forge faith-filled friendships, engage in small groups, participate in exciting competitions, and spend meaningful time in God's presence through worship and the preaching of the Word of God.

## CHC Mission Trips

As part of CityHope College, all students have the unique opportunity to embark on an international mission trip. Year 1 students will serve in Honduras, and Year 2 students will engage in mission work in Kenya, collaborating with our established long-term partners. The aim is to cultivate a Biblical worldview and expose them to the realm of missions, allowing the Lord to reveal His heart for the lost.

## Fellowship of Christian Athletes

With a vision to see the world transformed by Jesus Christ through the influence of coaches and athletes, FCA is working to make disciples through engaging, equipping, and empowering coaches and athletes to “know and grow in Christ” and lead others to do the same.
