

## **MALBIS SUNDAY 9AM - Words In Due Season**

### **Willard**

You not only encourage people, you are an encouragement, just by living your life for the Lord with integrity. Releases a Father's blessing over God's sons and daughters. There's more to do. There's more to say. More blessings to give, more life to live for the glory of Jesus. Be encouraged.

### **Shannon**

Red is the color of courage. I heard the Lord say that you have faced many battles and you have seen that it's best to let Jesus fight our battles because He always wins. It's time to tell your story for God's glory. Young girls facing battles will listen to you and they'll take hope. Be brave, be strong, be courageous for the Lord, Your God is with you.

### **Girl, Denim Jacket**

You aren't about Sacred Sundays followed by Blue Mondays. You are steady. You're a grateful servant of the Lord. You've lived a lot of life already. You've faced a lot of things already. But when you got gloriously saved, you never got over it. And I heard that you live by the acronym of JOY: Jesus, Others, Yourself. You're a very unselfish person. The promise of Proverbs 11:25 is yours, and I come to give it to you. The one who blesses others is abundantly blessed. Those who help others are helped. You are an example, a leader as one with a genuine heart of a servant. I see a promotion coming. When that door opens, walk through it and don't be afraid. Be blessed as you bless others.

### **David**

David, God has blessed you with a very sharp mind and a creative ability to problem-solve. You are a solutionary. God helps you find a way where at times there seems to be no way. I see leadership in you that is inspiring as it is untreatable. You have a servant's heart which is the essence of leadership in God's kingdom, and you've got a kindness that a lot of leaders don't have. Don't be afraid to lead. Just serve. Just serve, and you'll raise up young servant leaders who will impact the coming revival generation. That's what you're here for. Raise them up.

### **Taylor**

This is your year. The wheels seem to fall off in 2022. You started recovering what seemed lost in 2023. This year, 2024 is the year of new wheels. You're getting off-road tires that allow you to go wherever God sends you and to do whatever he asks without doubt or fear. You learn to overcome obstacles and hurdles in the past season and you came over them, and in doing so, you brought God's pleasure. Your new tires, off-road tires, are going to be on a new vehicle for movement in 2024. Take steps of faith. You can drive fast again.
